

HOW TO PLAY MINI-MIRAMAGIA

Mini-Miramagia wartet auf dich

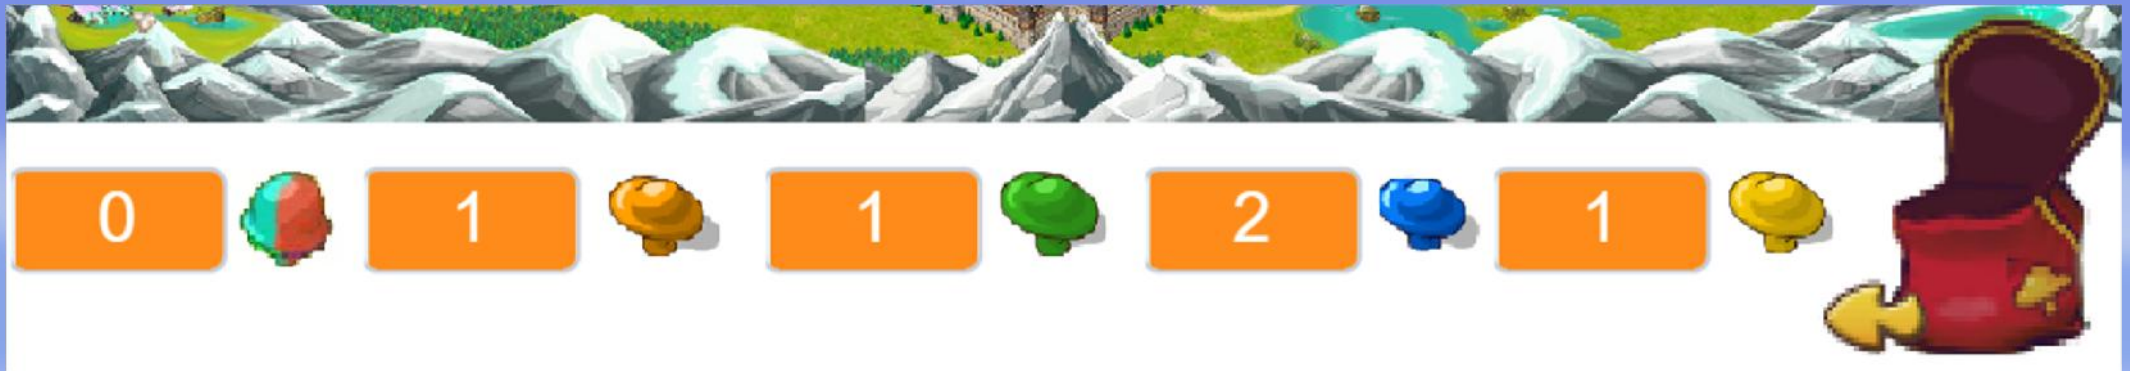

Here you can see the upper display. To the left side you can see how much gold, mana, rubies and dragon food you got . The right side shows your current level and experience points (XP).

6		1		  	Level	0
7		3			Erfahrung	1

This is the lower display, when you start playing. The center shows how many transformations you performed so far.

Clicking the right arrow will open your mushroom bag which then reveals your collection: rare mushrooms, experience mushrooms, seed mushrooms, mana mushrooms and gold mushrooms. The arrow besides the bag will take you back to the bottom menu.

The arrow to the left takes you to your storage, showing you how many of the following plants you got: Pumpkin & Carrot, Cone bush & Sorrel ball, Crystal fern & Spuds and finally Optic Plant Premium & Miramitsu. The arrow besides the box will bring you back to the menu at the bottom.

Your house and your front garden:

Clicking a male avatar results in the corresponding house.
Clicking a female avatar will add a front garden decoration.

Each option will cost you 2 Mana.

Sowing and Harvesting:

To grow plants you now have two fields! Click on the sowing symbol to open to a variety of four plants on each. Pick the one you want to grow and it will happen.

Sowing and Harvesting:

Here you can choose witch plants you want to grow. Always 3 plants will be sowed and you can harvest 9 plants later. If you use Optic Plant Premium you harvest 10 Mana and no plants.

Sowing and Harvesting:

There are two kinds of plants:
Short growing plants with a growth time of 30 sec.

- Carrot
- Pumpkin
- Cone bush
- Sorrel ball

Long growing plants with a growth time of 2 min.

- Crystal fern
- Spuds
- Miramitsu
- Optic Plant Premium

Sowing and Harvesting:

For short growing plants you will get 5 XP.

Long growing plants will earn you 10 XP.

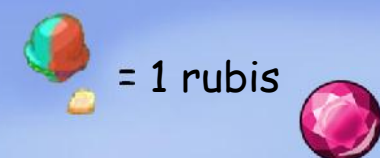

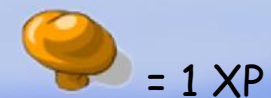

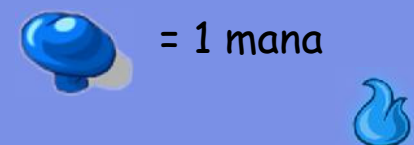

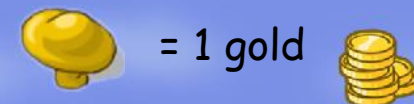

Harvesting Optic Plant Premium will yield 10 Mana and 10 XP

mushrooms:

Mushrooms grow everywhere!

Village tree:

Whenever you return to your village you can water the village tree.

Watering it will cost you 3 mana.

Feed your dragon:

Also when you return to your village you can feed your dragon.

Growing him fully will require you to feed him twice.

Dragon food can be bought from the Sorcerer's Corner Shop (City) or traded at the valley map.

the questies:

Actually the questies have 3 different orders for you to earn gold.

The magic circle:

Whenever you click on it you can collect 2 mana by clicking the big mana symbol.

Dthe laboratory:

The lab has 3 different setups to browse through using the arrows to the left and right. The arrow pointing upwards will take you back to your village.

The store house:

Miro, the little dragon, takes care of the miramagic plants in the store house.

Dragon race:

Time to train your dragon with a race. Just click on the round button, pick your favourite map and fly off!

Dragon race:

Here you can choose your favourite landscape for the dragon race.

If you want to go back to the village, use X.

Dragon race:

Arrow by arrow to the target or faster after all?

Dragon race:

Once you reach the finish flag you will earn each 10 gold and 10 XP

Travelling portal worlds:

Click the portal to
have a look...

The portal worlds:

Use the arrows to look at different portal worlds.

Each one will show you a collection of different decorations.

Use the X to come back.

Even there you can collect mushrooms from time to time.

The path to the City:

Click on the compass on the upper center to travel to the valley map. From there you can visit the City.

Neue Welten

To the
city....

In the city:

Welcome to the city.
Here you can use the arrows to look at the different houses.

You can also see a firework for 10 mana.

City hall:

Welcome to the
city hall

Magic academy:

Welcome in the
magic academy...

Sorcerer's Corner Shop:

This is Emma's store. Here you can buy plants and dragon food. To do so click on the sorceress.

Sorcerer's Corner Shop:

If you have enough gold you can buy plants or dragon food. To choose an offer click the arrow beside it.

Emmas fashion world:

Click the little sorceress and you will be shown a selection of different clothings. The show will cost you 10 gold.

Emilio's Hair Salon:

Click the round button to change your hair style for a moment for just 10 gold.

Offers of the valley map

Just click on
the trader...

Offers of the valley map:

Use OK to get the offer. With X you can leave.

Offers of the valley map:

Tandler des Südens

In Sichtweite vollzieht der seltsam gewandete Tandler sein Begrüßungsritual, indem er dir zu Ehren einen makellosen Kreis in die Luft malt. „Meine Heimat ist die Insel des Südens“, rezitiert er, „über der die sonnige Zone im Zenit steht, unter der sich endlose Wüsten aus Gold erstrecken.“ Dazu kauft sein Miramel genüsslich trockenes Löwenmaul. „Zu tauschen ist höflich, unser Pilzhandel – weltbekannt!“, brüstet sich der Tandler.

Du kannst tauschen 5 zu 4, deshalb bist du bestimmt bei mir.
Wähle dir dein Angebot.

0 / 15 05:06:21

Here you can choose one of the offers. You give him 5 mushrooms and get 4 other mushrooms back.

 **Mira Magia**
Neue Welten

To the world tree....

Welcome at the world tree:

Here you have the possibility to transform. To transform you must reach level 5.

At first go into the world tree.

You also can watch Miro's firework for 10 mana.

In the world tree:

You want to
advance to the
next level?
This is the place to.

Click on Mirella to
help you.

Level up:

Once you accumulated 500 XP you can level up. Confirm with OK.

X lets you leave.

Transformation:

This is your place to perform a magical transformation.

Just click the phoenix to do so.

Transformation:

To transform you
need level 5 and 5
rubies

Kiwi0707, Moosmutzel
and Miro wish you a lot
of fun!
